STATEMENT OF FAITH

Native American Bible College is a regional college of the General Council of the Assemblies of God and, as such, adheres to the Statement of Fundamental Truths of the Assemblies of God as delineated in Article V of the Constitution and Bylaws. In summary, we believe:

- The Bible is the inspired and only infallible and authoritative written Word of God.
- There is one God, Creator of heaven and earth and all that is therein, eternally existent in three persons: God the Father, God the Son, and God the Holy Spirit.
- In the deity of our Lord Jesus Christ, in His virgin birth, in His sinless life, in His miracles, in His vicarious and atoning death, in His bodily resurrection, in His ascension to the right hand of the Father, in His personal future return to this earth in power and glory to rule a thousand years.
- In the blessed hope – the rapture of the church at Christ’s coming.
- The only means of being cleansed from sin is through repentance and faith in the precious blood of Christ.
- Regeneration by the Holy Spirit is absolutely essential for personal salvation.
- In water baptism by immersion.
- The redemptive work of Christ on the cross provides healing of the human body in answer to believing prayer.
- The baptism of the Holy Spirit according to Acts 2:4 is given to believers who ask for it.
- In the sanctifying power of the Holy Spirit by whose indwelling the Christian is enabled to live a holy life.
- In the resurrection of both the saved and the lost, the one to everlasting life and the other to everlasting damnation.

MESSAGE FROM THE PRESIDENT

Never has there been a greater opportunity for evangelism in our world and our nation. To reap the harvest in these last days will require qualified and trained men and women.

Native American Bible College (NABC) is constantly improving to meet the challenge of our day. Faculty members are qualified in their fields and are interested not only in academic excellence but also in the students’ spiritual development. At NABC, the Bible is the focus of education and significant emphasis is placed on the leadership of the Holy Spirit.

If God has called you into His service as pastor, evangelist, missionary, or teacher, or you simply wish to study for personal enrichment, I extend to you a personal invitation to become a student at NABC. Handicap, gender, race, color, and national or ethnic origin are not factors in being accepted as a student.

This catalog will better acquaint you with Native American Bible College and its programs of study. If you have any further questions, please contact us. We are here for you.

Native American Bible College is located in Shannon, North Carolina. It is situated between the beautiful Blue Ridge Mountains and the Atlantic Coast. Fishing and hunting are available in the area.

The one-hundred-acre campus has been developed to offer adequate facilities for academic and spiritual training, as well as for recreational activities. The nine buildings on campus include an administration and library building, two dormitories (facilitating sixteen female and twenty-four male students, plus a family in each dormitory), a cafeteria, an academic building, a chapel, a shop, a four-bay utility garage, and a house. All buildings are adequately equipped to fulfill the purposes of the College.

HISTORY

Both written records and personal recollections affirm that the desire to establish a Bible college to meet the spiritual needs of the Indian population in Southeastern North Carolina was planted by God in many hearts. Originally known as Eastern Indian Bible Institute, Native American Bible College was founded in
Fayetteville, North Carolina, in January 1968, and was approved and supported by Assemblies of God US Missions. For over nine years, night classes were held in three Indian churches in the area: Fayetteville Assembly of God, Faith Assembly of God in St. Pauls, and Shannon Assembly of God.

In 1975, one hundred acres of land, located in Shannon, North Carolina, was purchased for a campus site. In 1977, NABC expanded its program to include a three-year day program in addition to the night classes being offered. In 1978, a multipurpose building was constructed, containing classrooms, offices, a library, and a chapel. In 1990, the Charles Cookman Residence Hall was completed. In 1993, the College transitioned from a North Carolina District sponsored school to a regional school, sponsored by five Southeastern Districts of the Assemblies of God. In 1994, the Board of Directors changed the name of the school from Eastern Indian Bible Institute to Native American Bible College. The same year, a cafeteria was added to the campus. In 1998, a classroom building, with a seating capacity of 150 students, was completed, and the original building was remodeled. In 2000, the multipurpose building was enlarged to accommodate the expanding library. In 2001, a chapel (later named Peter Knutsen Chapel) was erected. During the 2004-2005 academic year, a fourth year was added and NABC had its first Bachelor of Religious Education degree graduates in Spring 2005. In 2006, a second dormitory, including a student center, was completed.

**TRANSFER CREDITS**

If a student has completed college, university, or diploma-level courses at another institution, he/she must request that his/her former school mail an official transcript of his/her grades to NABC for evaluation. The evaluation process will follow these guidelines:

1. The Vice President for Academic Affairs determines what courses and credits are accepted into the programs at NABC. All post-secondary transcripts will be evaluated for applicable transfer credit. Applicable credit or lack thereof will be noted in the student’s academic file.

2. Credits transferred must have a minimum grade of “C.”

3. NABC will accept courses that are equivalent in content to its courses.

4. The number of credits transferred per course will not exceed the number of credits NABC gives for a comparable course. The credits transferred will be applied to the appropriate category of study. For transfer credits accepted, appropriate reduction in the course of instruction will be granted.

5. A limited number of transfer credits may be applied as general electives. Such electives must be consistent with the purpose and focus of Native American Bible College.
6. Appropriate adjustment will be made in tuition and fees corresponding to the acceptance of transfer credit for any program of instruction.

7. Transfer credits will not affect the student’s GPA (grade point average) but will add to the credits completed.

8. In order to assure that graduates of NABC have had sufficient opportunity to identify with the distinctiveness of the college’s purpose, and in order to demonstrate proficiency in their programs of study, students must complete at least one year (32 credits) at NABC.

9. Eligible students, including veterans, and the department of Veterans Affairs will be notified in writing of any credits granted for previous education and training.

**RE-ADMISSION**

A student who has been away from NABC for more than one semester and wishes to return must apply for readmission with the Vice President for Academic Affairs. All admission requirements at the time of readmission must be satisfied.

**MARRIED STUDENTS**

Married students should not live apart from their spouse and children. If moving to the Shannon area, preparation should begin early enough to secure housing and make all necessary moving arrangements.
FINANCIAL INFORMATION

COST OF EDUCATION

NABC makes every effort to keep educational costs to students as low as possible. Student fees pay only a portion of the college’s operating expenses each year. Supporting districts, churches, and individuals subsidize the operating budget of the college. This represents a sizable investment in every student’s education. While the college depends largely on outside financial support, some educational costs must be met by students.

1. Room and board charges will be prorated from the date of registration to the date of withdrawal/vacating the dormitory.

   - 4th week of classes 50%
   - 5th week of classes 25%
   - After 5th week of classes No adjustments

PAYMENT OF ACCOUNTS

Financial responsibility is important to a Christian’s testimony. Each student is responsible to make adequate arrangements for this obligation. Any outstanding balance from previous semesters must be paid in full before a student will be allowed to return to classes. Any exception must be made by the Vice President for Business Affairs.

All school bills must be paid in full before students can receive official credit for work completed during the semester. Official transcript will not be issued until the school bill is paid in full.

PAYMENT SCHEDULE

Books, registration, and one third of tuition fees must be paid at the time of enrollment. On-campus students must pay fifty percent of their room and board fees at the time of enrollment. The balance of all fees must be paid in three equal installments on the 20th of January, February, and March for the spring semester and
September, October, and November for the fall semester. Summer sessions are to be paid in full at registration. The Vice-President for Business Affairs or the President must approve any other arrangements.

**FINANCIAL AID**

NABC does not have Title IV funding available at this time; a limited amount of other financial aid is available. Qualifying students may apply for Veterans Administration benefits and various scholarships. Applying for financial aid does not automatically guarantee assistance. A student desiring financial aid should submit an application in the semester prior to the one in which the assistance is needed. Application for financial aid should be made to the Business Office.

**TUITION DISCOUNTS**

Any student who is responsible for one or more new students (i.e. one(s) who has/have never attended the college before) enrolling in a given semester will be given a $25.00 discount on his/her tuition.

**SPOUSE DISCOUNT**

If a husband and wife both attend the college, the one with the greater number of credit hours will pay full tuition. The spouse will receive a 50% discount on tuition.

**VETERANS BENEFITS**

Individuals who qualify for veterans (VA) benefits should contact their local VA Office for more information and complete the application process required of all potential students. The VA representative at Native American Bible College will certify enrollment for those who are eligible for VA benefits. If a VA student is terminated from the college for any reason, notification is made to the Department of Veterans Affairs and the student’s VA benefits will be subsequently terminated.

NABC requires high school transcript, proof of high school graduation (or equivalency) or documented ability to benefit and transcripts for all post-secondary education. Prior to initial certification for Veterans benefits, all post-secondary transcripts will be evaluated for applicable transfer credit. Applicable credit
or lack thereof will be noted in the student’s academic file. For transfer credit accepted, appropriate reduction in the course of instruction will be granted. Appropriate adjustment will be made in tuition and fees corresponding to the acceptance of transfer credit for any program of instruction.

The following Student Record Procedures policy will be applicable to persons enrolled under provisions of Title 38, US Code.

1. NABC keeps Records of Progress on all students, veteran and non-veteran alike.

2. Grade reports are furnished to all students at the end of each scheduled school term.

3. Student records for DVA students are maintained for a three-year period after completion of program.

The following refund policy will be applicable to persons enrolled under provisions of Title 38 US code. This policy covers situations when the eligible person fails to enter the course, withdraws, or is discontinued at any time prior to completion. NABC has and maintains the following policy for the refund of the unused portion of tuition, fees, and other charges:

The charges to the eligible person for tuition, fees, and other charges will not exceed the approximate pro rata portion of the tuition, fees, and other charges that the length of the completed portion of the course bears to the total length of the course.

In the event that Native American Bible College, for any reason, is unable to continue operation as an education entity, provision has been made with the Division of Archives and History of the State of North Carolina to assume control of all student’s academic, financial aid, and other critical records. The state Archives also would provide the services customarily rendered by a registrar for these records.

**VOCATIONAL REHABILITATION**

Eligible students may apply to the North Carolina Division of Vocational Rehabilitation Services for assistance.
EMPLOYMENT SECURITY COMMISSION

Eligible students may apply to the Employment Security Commission of North Carolina which provides assistance for job retraining.

MEALS FOR COMMUTING STUDENTS AND OTHERS

Three meals are provided daily as part of room and board to on-campus students. Meals are available for commuting students, guests, and faculty/staff by prior arrangement and for the posted per-meal fee.

ACCIDENT AND HEALTH INSURANCE

The college does not assume responsibility to provide medical care in the case of either accident or illness even though the accident or illness may occur on campus or in the discharge of duties or activities pertaining to the college program.

The add/drop period is two weeks. Missed classes are counted as absences from the first day the class meets. Students who drop a course after the second week will receive a W (withdrawal) on their transcript of grades. Add/drop forms may be obtained from the Registrar’s Office.

WITHDRAWAL FROM THE COLLEGE

A student wishing to withdraw completely from the college, for any reason, must complete a withdrawal form. Withdrawal forms obtained from the Registrar’s Office.

DISABILITIES

Students who believe they have a disability as defined by the Americans with Disability Act are encouraged to see the Registrar to determine reasonable accommodations for disabilities.

RECORDS

TRANSCRIPT OF RECORDS

In order for NABC to facilitate transportability of student’s
academic credits to other institutions, these procedures shall be followed:

1. Student contacts NABC and requests an official transcript be sent to the institution(s) of their choice.

2. No transcript will be issued to anyone who has failed to meet all financial obligations to the College.

3. The student is advised that all requests are to be submitted in writing to the Registrar’s Office along with a $5 Official Transcript fee (per transcript) made payable to Native American Bible College.

4. Once the letter and payment has been received by the Registrar, an Official transcript will be sent to the institution(s) the student has designated.

5. The letter from the student will then be placed in the student’s file along with a copy of the receipt of payment.

**FINAL GRADE REPORTS**

A final grade is recorded on the student’s transcript in every course for which he/she is registered. No entry will be recorded, however, for courses dropped before the end of the drop/add period.

**RECORDING OF GRADES**

All grades will be recorded in the Registrar’s Office as reported by the instructors. NABC keeps Records of Progress on all students, veteran and non-veteran alike. Grade reports are furnished to all students at the end of each scheduled school term provided the student has met all requirements.

**STUDENT RECORD RETENTION**

In the event that the institution, for any reason, is unable to continue operation as an education entity, provision has been made with the Division of Archives and History of the State of North Carolina to assume control of all student’s academic and other critical records.
GENERAL INFORMATION ON 
STUDENT LIFE

CODE OF CONDUCT

Membership in an academic community, particularly a Christian one, carries with it unique, demanding, and privileged responsibilities. As a Christian college, NABC seeks to relate Biblical Christianity to co-curricular activities, to one’s personal life, and to society in general. All members of the NABC community are expected to evidence a commitment to Christ and to demonstrate a meaningful educational involvement in this Christian context. The student, by virtue of his/her enrollment, therefore, agrees to accept the responsibilities of membership in the College community.

Scripture establishes the basic principles that should guide the development of Christian character and govern all Christian behavior.

Scriptural Principles:

1. The Lordship of Christ over all of life and thought involves wholehearted obedience to God’s Word as exemplified in the life of Christ; the careful stewardship of mind, time, abilities, funds, and opportunities for intellectual and spiritual growth; and the care of our bodies as temples of the Holy Spirit.

2. The responsibility to love God with all our being and to love our neighbor as ourselves. This means that unselfish love should be the motive in all life's decisions, actions, and relationships.

3. The responsibility to seek after righteousness, to practice justice in our dealings with one another and in our social institutions, and to help those in need.

4. The need to exercise freedom responsibly, lovingly, and sensitively within the framework of God’s moral law in relationship to the Assemblies of God Fellowship at large and to the other communities of which we are a part.

5. Access through Jesus Christ to the forgiveness of God and
to the help of the Holy Spirit in doing heartily what God requires of us.

Practices that are known to be morally wrong by Biblical teaching are not acceptable for members of the college community. Included are specific acts such as drunkenness, stealing, the use of slanderous or profane language, all forms of dishonesty including cheating and occult practices.

All forms of sexual sins (e.g., premarital sex, adultery, homosexual behavior, viewing pornography, etc.) are condemned in Scripture and are considered grounds for dismissal from NABC. Marriage is defined as between one man and one woman. Premarital sex includes sexual activity such as heavy petting and oral sex.

Scripture condemns such attitudes as greed, jealousy, pride, lust, bitterness, needless anger, an unforgiving spirit, and harmful discrimination and prejudice such as that based on race, gender, or socioeconomic status. While these attitudes are difficult to detect, they are as subject to the judgment of God as are all other forms of disobedience to Him. The college community is obliged to address such sins and individuals are encouraged to seek God’s forgiveness and help to overcome them so that each individual may grow in grace and righteousness.

**STUDENT DRESS CODE**

The Biblical principles that NABC students are to follow in their dress and wearing of jewelry are found in following Scriptures:

a. John 3:30 “He [Christ] must increase, but I *must* decrease.”

b. I Corinthians 10:31 “Whether therefore ye eat, or drink, or whatsoever ye do, do all to the glory of God.”

Students are to select clothing that is not body-revealing, that is simple, modest, and neat and avoid fads and extremes in fashion. Modest trousers, slacks, or blue jeans may be worn. Women’s necklines should be discreet (no cleavage showing). Hemlines on skirts/dresses should be no higher than the knee. Muscle shirts or sleeveless shirts are unacceptable for men. Shorts may not be worn in the Academic Building, the Chapel, the Administration
Building, or the Library. Men are not permitted to wear head coverings inside.

Chapel ministry is not an occasion for casual attire. When participating in chapel services, women must wear a knee length or longer dress, knee length or longer skirt/blouse combination, or appropriate dress slacks/pantsuit. Men are to wear dress shoes, dress slacks, and dress shirt (tucked in) with ties being optional. Casual footwear and wrinkled or dirty clothing is not acceptable for chapel ministry.

Hairstyles must be neat and clean with no extremes or fads. Beards and mustaches must be kept neat.

Students are not allowed to get tattoos or piercings or any other body markings from the time they enroll until they receive their diploma/degree. Students with existing tattoos are to keep them covered, if possible. With the exception of female students being allowed to wear one set of modest earrings, students are not permitted to wear body-piercing jewelry.

IDEALS AND STANDARDS

General student conduct is governed by the ideals and standards detailed in the Student Handbook. While enrolled at Native American Bible College, a student is expected to observe these ideals and standards of conduct, whether on or off campus. The College reserves the right to modify the standards set forth in the Student Handbook at any time. The College also reserves the right to use its discretion in the interpretation and enforcement of all ideals and standards of conduct as set forth in the Student Handbook and other college manuals.

All students are expected to know these regulations and to comply with them. Any conduct offensive to the College will not be acceptable. Deliberate or repeated disregard of expected conduct will be cause for appropriate disciplinary action. Such disciplinary action is rendered by the Vice President for Student Life. The College reserves the right to dismiss or refuse to readmit any student whose conduct or academic standing is unacceptable or undesirable.

GRIEVANCE POLICY

Students are protected against unjust and arbitrary penalties or
dismissal under the provisions of the Grievance Policy. Students, who feel they have received unjustified or arbitrary penalties from a faculty or staff member or have received improper, inappropriate, or unwarranted treatment from a fellow student, have the right to grievance proceedings. The student should take action as listed below:

- Informal discussions should be undertaken with the faculty or student involved as the first course of action to resolve any grievance.

- All parties involved shall be guided by Christian principles and conduct themselves at the highest level of courtesy and respect.

- If informal actions do not solve the grievance, then one should submit a written complaint to the Vice President for Student Life. The Vice President for Student Life will acknowledge receipt of the complaint in writing within ten working days. Depending upon the nature and severity of the grievance, the Vice President for Student Life will:
  1. Personally investigate and arbitrate the grievance, or
  2. Establish an ad hoc committee of uninvolved parties to investigate and recommend appropriate action, or
  3. Refer the case to the President’s Council for investigation.

- If the parties involved are not satisfied with the decision of the Vice President for Student Life, he/she may appeal to the President and then, if still not satisfied, to the President’s Council. Decisions made by the President’s Council are final.

- A written response to the grievance will be made within thirty (30) days of receipt of a written grievance.

**RIGHTS**

Students have the right to review all files and data comprising their permanent records at NABC and the right to a hearing for the
purpose of challenging the contents of those records if corrections and amendments are not made to their satisfaction. The only information that will be given out concerning students will be directory information as defined in the Family Educational Rights and Privacy Act of 1994, unless an individual student has specifically waived his or her rights.

**FACILITIES FOR THE DISABLED**

All buildings and facilities are wheelchair accessible.

**ENGAGEMENT AND MARRIAGE**

Wholesome social relationships are both desirable and fitting for men and women preparing for Christian service. The administration, however, discourages thoughtless marital engagements and premature marriages. Students should receive counsel by the Vice President for Student Affairs prior to engagement. No student will be allowed to marry during the academic year without permission. Marriage is defined as between one man and one woman.

**VEHICLES**

Students bringing vehicles on campus must provide the College with a copy of the following: current adequate liability insurance, valid vehicle registration, and current driver’s license.

Vehicles must be operated in compliance with federal, state and local laws, and within College guidelines.

In the event of an accident, the driver and owner will be responsible for all damage and/or injury. Under no circumstances will the College be liable for said damage and/or injury either on or off campus.

**LIABILITY**

Each student is responsible for his/her own personal property, including clothing, radios, stereo equipment, books, etc. NABC does not carry insurance to cover the loss of, or damage to, the private property of students, faculty, or staff.
SPIRITUAL LIFE

SPIRITUAL GROWTH

Spiritual development is a vital part of the educational process of NABC. While enrolled in the college, students are encouraged to seek God’s will for their lives and will be given the opportunity to exercise and develop the gifts and talents God has given them.

CHAPEL

Chapel services are held Monday through Thursday morning. Staff, faculty, visiting ministers and students participate in chapel ministry. Chapel attendance is required as part of campus life. The chapel is available to students for personal devotions and prayer during their free time, as long as other chapel events are not scheduled.

DEVOTIONS

Students are expected to include a time in their daily schedule for personal devotions. Group devotions may be conducted in the dormitories.

CHURCH SERVICES

Students are required to attend Sunday services at a church agreed upon by the student and the Vice President for Student Affairs. All students are expected to attend a minimum of two services a week. Church attendance forms are to be filled out weekly by full-time students and turned into the Student Life office.

STUDENT ORGANIZATIONS AND ACTIVITIES

STUDENT COUNCIL

The Student Council is composed of its officers and a representative from each class. The Vice President for Student Life represents the administration on the council.

The function of the Student Council is to plan student activities and to foster school pride, promote school spirit and build school loyalty.
MISSIONS COMMITTEE

The Missions Committee is comprised of representatives of the faculty/staff and of the student body. The Missions Committee is responsible for organizing monthly missions chapel services, administering missions funds, and planning other missions events during the school year.

YEARBOOK

The NABC yearbook is a pictorial review of events from the current school year. It is published by a Yearbook Committee which is formed annually and comprised of interested students and the Vice President for Student Affairs or an appointed yearbook advisor.

STUDENT SERVICES

COUNSELING

Personal, social, and educational counseling is available through the office of the Vice President for Student Affairs.

LAUNDRY FACILITIES

The college provides laundry facilities for dormitory students only. See the Student Handbook for more details.

MAIL

Students living on campus may use the school mailing address while enrolled at NABC.

STUDENT HOUSING

Full-time single students are expected to live on campus. The Vice President for Student Affairs must approve any exceptions. The college reserves the right to inspect the dormitory rooms at any time. See Student Handbook for further information.

MEALS

Room and board includes daily meals on days when classes meet. Flexible plans will be incorporated on weekends according to student needs. Off campus students and visitors may purchase meals while on campus for a nominal fee.
NABC LIBRARY AND COMPUTER LAB

The Native American Bible College Library is a major source of information for theological study and research serving the needs of the faculty/staff and students of the college. The Library provides the bibliographic resources, research services, and the study environment necessary to support the academic and related educational programs offered by Native American Bible College.

NABC Library houses a collection of over 31,000 volumes, including print and non-print resources. As residents of North Carolina, NABC students also have access to many valuable academic databases via NC Live through the public library system. NABC library also houses study areas, computer stations for research and word processing, as well as facilities for listening and viewing.

NABC’s computer lab is well equipped with quality technology and networked to the rest of the campus.
ACADEMIC POLICIES AND PROCEDURES

ATTENDANCE

The College attendance regulations are guided by the principle that in a traditional classroom setting students receive benefits from the discussion, interaction, and emphasis of a class session which they can get no other way, even with the assignment of make-up work. To miss class is to experience a loss that may not show up on a final examination, but is nevertheless real. Accordingly, the following regulations encourage faithful attendance with allowances provided for necessary absences.

Absences: The faculty understands that there may be legitimate needs to miss classes and allows absences to meet those needs (sickness or emergencies, etc.). A student is allowed 5 absences without penalty for a class that meets 3 hours a week, 3 absences for a class that meets 2 hours a week, etc. (Please see the chart below). More than the allowable absences will result in a grade penalty. The professor will reduce the final grade by 5 points for each absence. If a student misses more than 20% of the class for any reason it is an automatic failure. If a professor chooses to allow a student to make up assignments missed due to a legitimate absence, these assignments must be submitted according to terms agreed upon between the instructor and the student.

Absences include: Missing class entirely, arriving to class more than 10 minutes after it begins, and leaving class early. When a VA student is required to keep a related VA appointment an excused absence will be given.

If the class meets at a different rate, the class syllabus will indicate the absence policy.

Exceptions to the above policy can only be made by written appeal to a board of appeals comprised of the class instructor, the Vice President for Academic Affairs, and the College President.

**Tardiness:** Four tardies (up to 10 minutes late) will constitute an absence. Tardiness in excess of ten minutes will constitute an absence.

**GRADES**

Students receive a grade for each course at the end of each semester. NABC’s grading system is as follows:

<table>
<thead>
<tr>

* Not computed into the grade point average (GPA)

If a course is retaken, only the higher grade is allowed for credit.

**SEMESTER CREDIT HOURS**

The school year is divided into fall and spring semesters. Academic work is measured according to the semester credit hour. One semester credit hour is equivalent to one class session per week (plus preparation) for the length of the semester (fifteen weeks). While a full-time student is defined as one taking a minimum of twelve semester credit hours, students normally are expected to take sixteen semester credit hours of college work. Additional loads may be taken with permission from the Vice President for Academic Affairs. Under no circumstances may a student take more than twenty-one credit hours per semester.
GRADE POINT AVERAGE

The cumulative grade point average (GPA) is determined by multiplying the semester credit hours for each course by the grade point equivalent for that course. The sum of all grade point equivalents is then divided by the total semester credit hours earned.

GRADUATION REQUIREMENTS

In order to graduate, a student must:

1. Complete 128 semester credit hours for a Bachelor of Religious Education degree.
2. Complete 96 semester credit hours for a diploma.
3. Complete 64 semester credit hours for an Associate of Religious Education degree.
4. Maintain a minimum of a 2.0 GPA.
5. Complete the last 32 credit hours at NABC.
6. Meet all financial obligations.
7. Have completed 3 semesters of satisfactory Christian Service for an Associate of Religious Education Degree, 5 semesters of satisfactory Christian Service for a diploma, and 7 semesters of satisfactory Christian Service for a Bachelor of Religious Education Degree.

Satisfactory Academic Progress (SAP)

In order to qualify for financial aid assistance through institutional, state, and/or federal (Title IV) funds, students must maintain Satisfactory Academic Progress (SAP) toward their degree program. At NABC the standards for SAP are equivalent for both recipients and non-recipients of financial aid assistance. SAP is defined by both qualitative and quantitative measurements of academic work [34 CFS 668.16(e)].

Unless the terms of a particular grant or funding source states otherwise, these measurements shall be applied to determine a student’s eligibility for financial assistance.

GPA Requirement
The qualitative standard is measured by reviewing the student’s cumulative GPA.

**Credits Completed Requirement**

A quantitative standard is measured by comparing attempted credits to successfully completed credits.

<table>
<thead>
<tr>
<th>Credit’s Attempted</th>
<th>Student enrolls, attends the</th>
</tr>
</thead>
<tbody>
<tr>
<td>Credits successfully completed</td>
<td>Student earns grade of A, B,</td>
</tr>
<tr>
<td>Credits NOT successfully completed</td>
<td>Student grade is F, I, W, or V</td>
</tr>
</tbody>
</table>

**Maximum Time Frame Requirement**

A second quantitative measurement is the maximum time frame that a student can receive federal aid while earning a degree. A bachelor degree student must complete his/her program within 150% of the time normally required to complete the program.

**Minimum Standard for Progress**

<table>
<thead>
<tr>
<th>Full-time undergraduate student receiving institutional aid and/or Federal aid must ...</th>
<th>Maintain at minimum a cumulative GPA of 2.0</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td>Complete at least 24 credits with fall &amp; spring semesters</td>
</tr>
<tr>
<td></td>
<td>Complete at least 67% of all cumulative attempted credits</td>
</tr>
<tr>
<td></td>
<td>complete the degree program within 150% of the published length of the program, measured in the required credit hours</td>
</tr>
</tbody>
</table>
Frequency of Monitoring

The Financial Aid Office monitors the SAP of each aid recipient annually in May after spring grades have been submitted. SAP review must be completed before aid is awarded to continuing students. Students who are not meeting the qualifications shall be notified in writing.

Transfer Credits

Courses accepted as transfer credits shall be included in the total attempted and total completed credits in determining whether or not a student is satisfying SAP requirements.

Audit Classes

Audit classes receive no credit, do not influence grade point average, are not counted in credits attempted, and are not eligible for financial aid.

Remedial Classes

When determining financial aid eligibility, remedial classes will be included in the total number of credits for the semester.

Pass/Fail Classes

Pass/Fail classes are not calculated in the cumulative GPA but are included in credits attempted.
Repeating a Course

A student may wish to repeat a course for a better grade. Each attempt is recorded, but only the higher grade is computed into the cumulative GPA. The lower grade will then be recorded as an audit. When repeating a previously passed course, the student may receive financial aid only once for retaking the course.

Re-establishing Financial Aid Eligibility

A student who has previously failed to maintain SAP status may become eligible for financial aid if he/she re-establishes SAP through one of the following:

(i) changing of a grade
(ii) completing an incomplete or in-progress course
(iii) reporting a missing grade

A student may choose to attend without receiving financial aid while completing courses to regain SAP standing.

Multiple Programs of Study

Coursework for a program previously completed (degree earned) shall not be included in the SAP evaluation for the current program of the student. However, previous coursework in which no degree was earned will be counted as part of the total GPA and credits attempted when evaluating SAP.

SAP Appeals

A student who has failed to maintain SAP due extenuating circumstances may submit an appeal in writing to the Financial Aid Office requesting a reinstatement of financial aid. Appeals shall be considered on a case by case basis. The appeal letter must include:

(i) an explanation of the extenuating circumstances
(ii) explain the course of action taken or to be taken to address the extenuating circumstances
(iii) supporting evidence for the extenuating circumstances
and, if possible, for the course of action in (ii)

(iv) plan of study indicating the courses to be taken over the next year, the number of credits needed to graduate, and the anticipated graduation date

NABC Scholarship Committee, serving as the Financial Aid Office Appeals Committee, shall review complete appeals (an appeal letter with all documentation attached). A written response will be issued to the student within 10 business days.

If the appeal is denied, the student may attend without financial aid to re-establish eligibility. A period of non-enrollment is not sufficient to re-establish financial aid eligibility.

If the appeal is approved, the student will receive financial aid for one semester only. At the end of that semester, an additional review to ensure that the student is fulfilling the terms of the approved appeal will be conducted. A letter delineating the approved academic plan which the student must pursue to remain eligible for financial aid and indicating the date of the next review will be issued to the student. At the end of the semester, if the student continues to meet the terms of the approved appeal, he/she will be awarded an additional semester. This review will continue by semester until the next scheduled annual review or the student successfully completes the academic plan and meets SAP requirements again.

ACADEMIC PROBATION

Academic Probation is a period of time in which allowable activity is reduced for at least the full subsequent semester. Academic Probation may be imposed for either failure to meet academic entrance requirements or academic standards.

1. Academic Entrance Requirements

Students applying to NABC without a high school diploma or with a high school GPA of below 1.8 may be admitted to the College under academic probation. Students admitted on academic probation must achieve a 2.0 average by the end of the first semester.

2. Academic Standards
Students whose cumulative grade point average falls below 2.0 (a grade average of C) for any semester will be placed on academic probation.

3. **Duration**

Once placed on probation, a student continues on probation if either the current semester grade point average, or the cumulative grade point average falls below 2.0.

4. **Probationary Restrictions and Guidance**

A student on academic probation shall not hold any office and should not allow church, work, social, recreational, or other activities to interfere with needed study time. The Office of the Vice President for Academic Affairs will assign to the student a faculty member or College administrator who will meet regularly with the student to offer him/her counsel, study tips, prayer, encouragement, and help.

The student who remains on academic probation at the close of the following semester will be ruled academically disqualified and will be ineligible to re-enroll the following semester. A disqualified student may appeal to the President’s Council to request readmission after an absence of at least one semester.

5. **Exceptional Circumstances**

After counsel with the student and with the permission of the Vice President for Academic Affairs, it shall be understood that a student may be allowed to audit courses for noncredit when he/she gives evidence of a call and a need for exposure to the program, but will be unable to achieve an academic standard of 2.0.

6. **Academic Suspension or Termination**

Habitual underachievers may be suspended or terminated when it becomes evident they may not be able to qualify academically for graduation.
